Help needed for Quest Tutoring!

QUEST Tutoring Ministry partners with Mustang Trails Elementary to help students in grades 2nd-4th who are struggling with reading, math, and writing. These students are selected by their teachers to attend QUEST for the free tutoring that we provide. Teachers and tutors communicate weekly about what students' needs are and provide activities to do. We provide free one-on-one tutoring in reading, math and writing. We work on the basic skills in each of these areas.

QUEST follows the MPS school schedule. We meet every Tuesday from 3:00 pm – 5:30 pm
